Hi Tara,

The attached map seems to be out of date. It still has Tom LaBonge list on it. Do you have a newer version?

Also, this project might be a little more work then I originally anticipated. Is there any budget to cover the labor cost for the layout and design time?

Thank you,

I don't think I sent you this before; the Clerk finally got me a revised/current map last week, so you won't have to edit the out-of-date one as you'd offered to do.

There's a placeholder in the report for this.
